California Proposition 65 Declaration

Guardian Electric certifies that the following product(s) do not contain levels of chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986 and exceed the No Significant Risk Levels (NSRLs) and/or Maximum Allowable Dose Levels (MADLs) as established in regulation Title 27:

1. Catalog Solenoids P/N Prefix A420-
2. Catalog Solenoids P/N Prefix A421-
3. Catalog Spring Kits P/N Prefix A490-

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>

Guardian Electric will continue to monitor the Proposition 65 regulations for any new chemicals. Guardian Electric will compare any newly listed chemicals with the raw materials in our finished products and communicate this information to our customers.

Mike Wells
Chief Engineer
Guardian Electric Mfg. Co.
